- Softball

Play it all.

The Transformer All Sport shown with removable offensive wing.

Top End

The Top End Transformer All Sport Chair will transform the way you play. **Sit tall or low.** Adjust the front and rear seat-to-floor heights, and back height, then dial in your center-of-gravity, footrest height, angle and depth position. **Squeeze it.** It is quick and simple to adjust the rear seat height plus it is equipped with a removable and adjustable swivel anti-tip bar so that you can move from sport to sport. **Offense or defense.** The offensive wing and/or bumper are designed for playing contact sports such as basketball, hockey or football and can easily be removed for your transition to play tennis or other sports. **New fencing arm option now available.**
